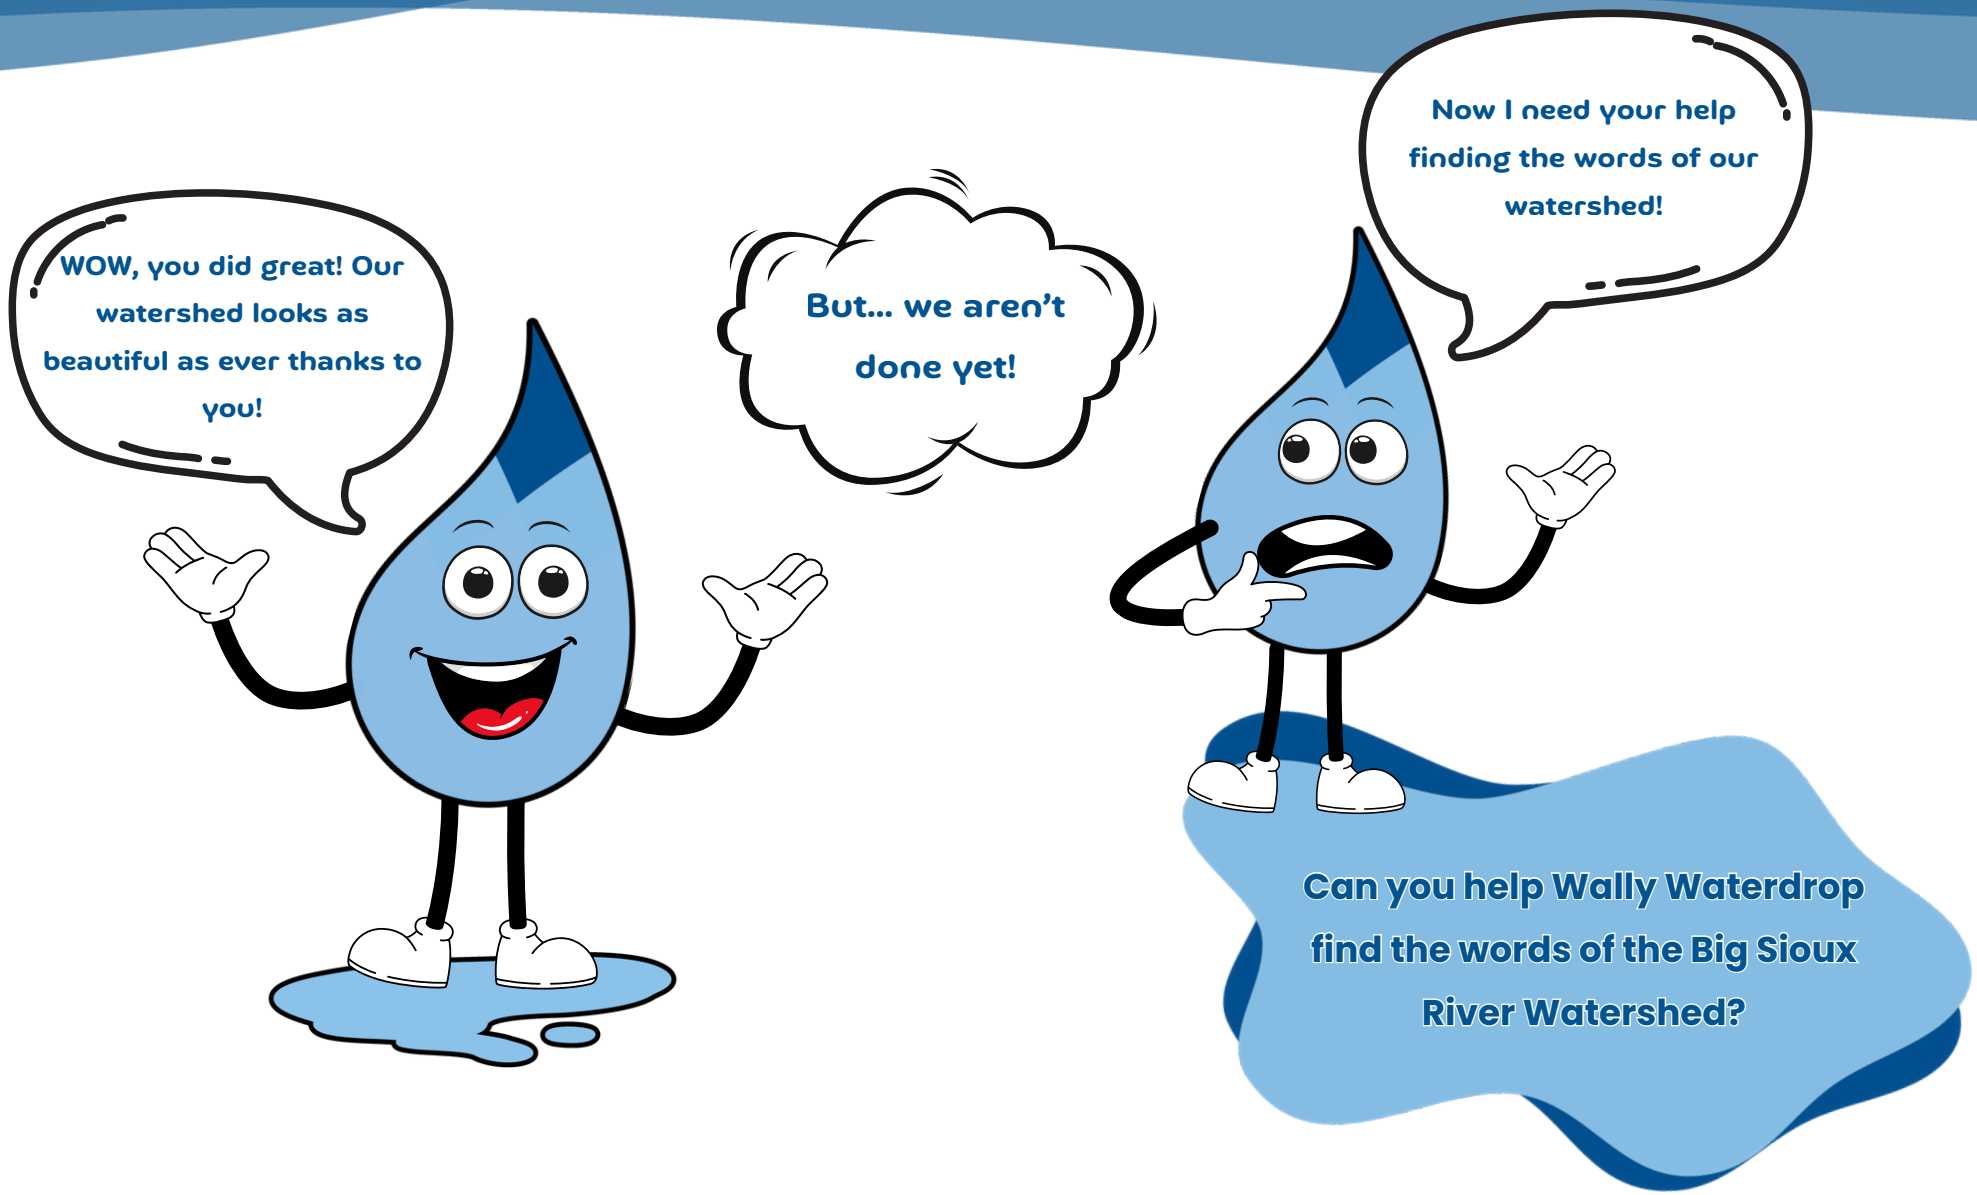
WHAT IS
WATER QUALITY?



WOW, you did great! Our watershed looks as beautiful as ever thanks to you!
But... we aren't done yet!
Now I need your help finding the words of our watershed!
Can you help Wally Waterdrop find the words of the Big Sioux River Watershed?

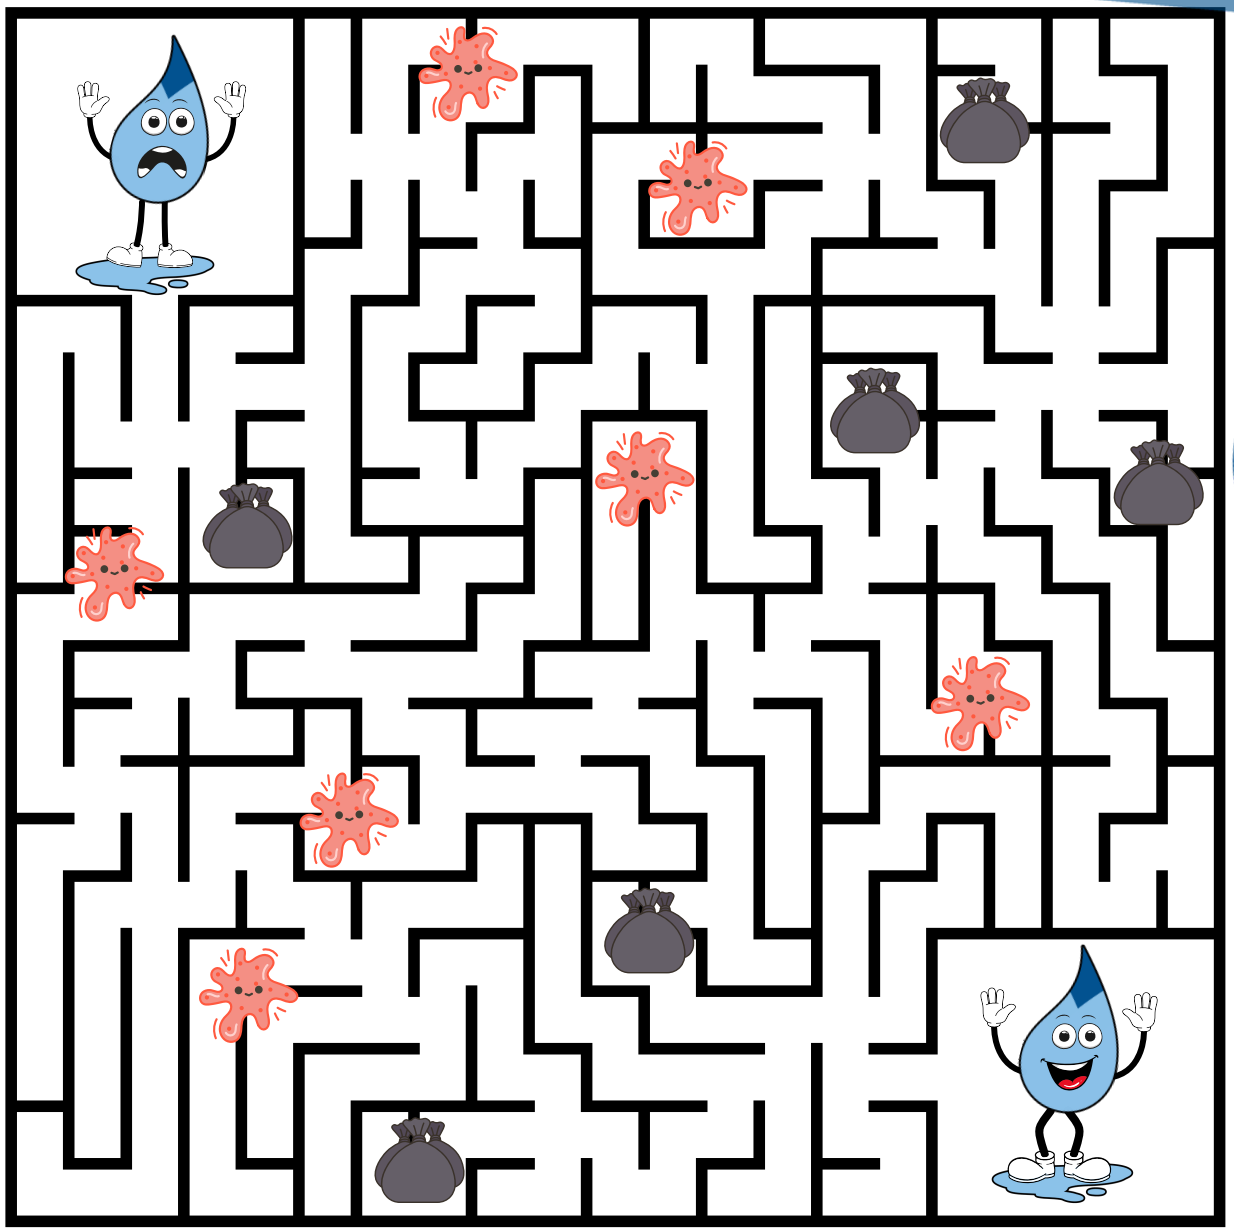
YAY! You did it! We are one step closer to restoring the watershed!
Now I need help checking the watershed to make sure it is clean
Can you help Wally make sure the watershed is clean?

Watershed Clean Up Maze

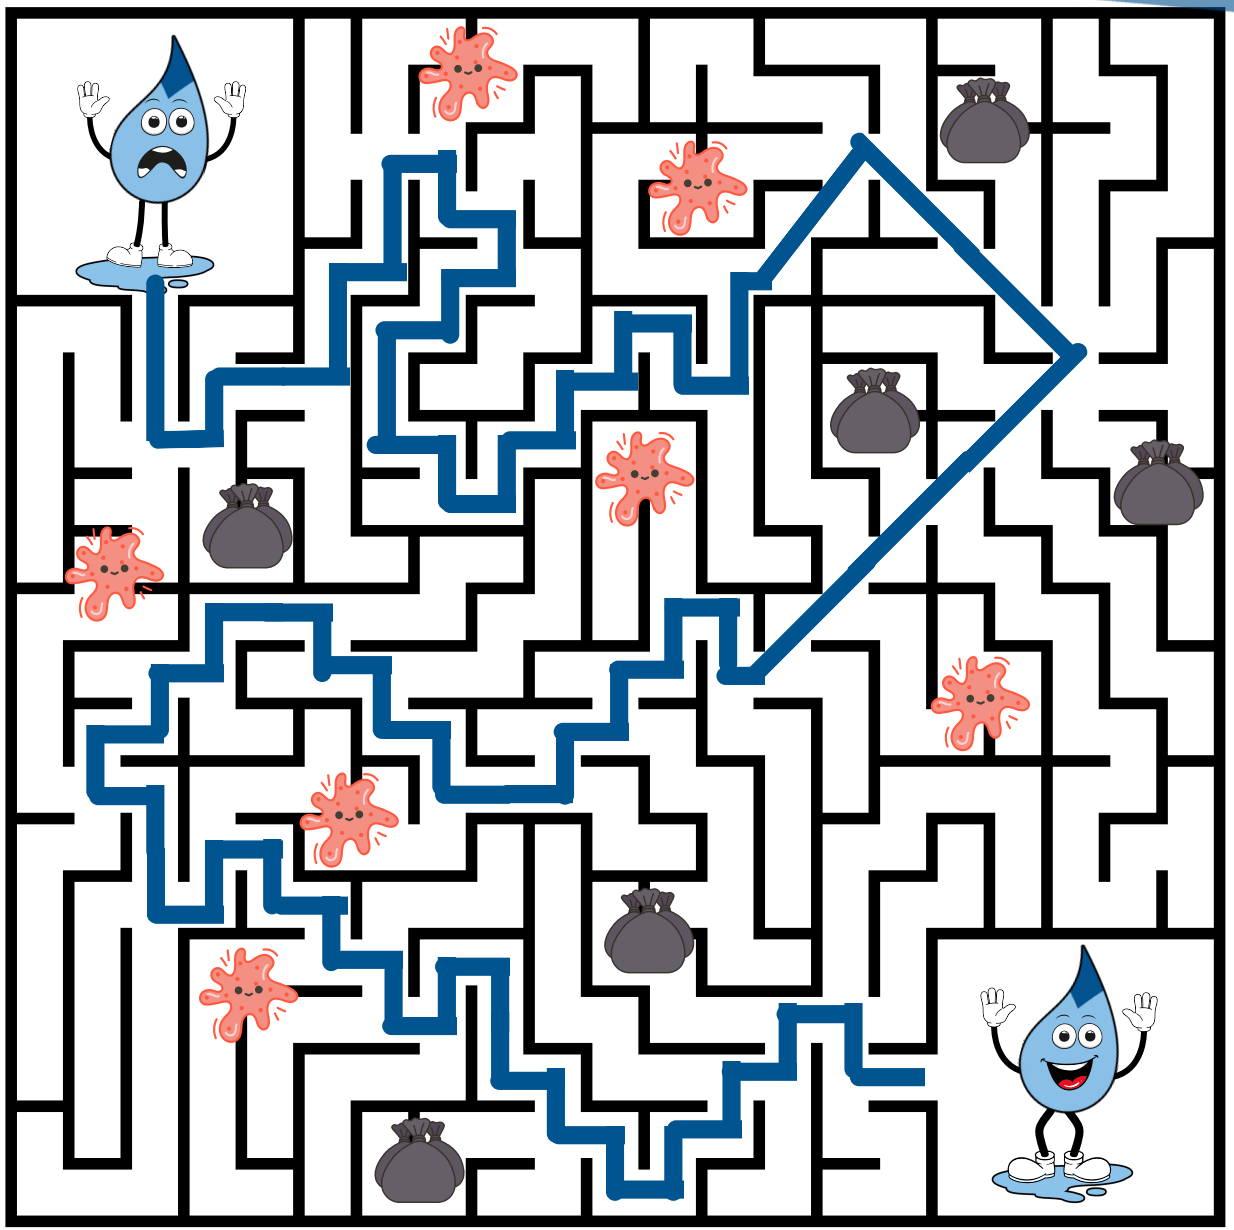
Help Wally make sure the watershed is clean by getting through the maze!



Make sure to avoid the "dirty" areas of the watershed in order to ensure it is clean!

Watershed Clean Up Maze

(Answer Key)



- Restore Color
- Watershed Words
- Clean up Maze
- Do & Don't

Do & Don't

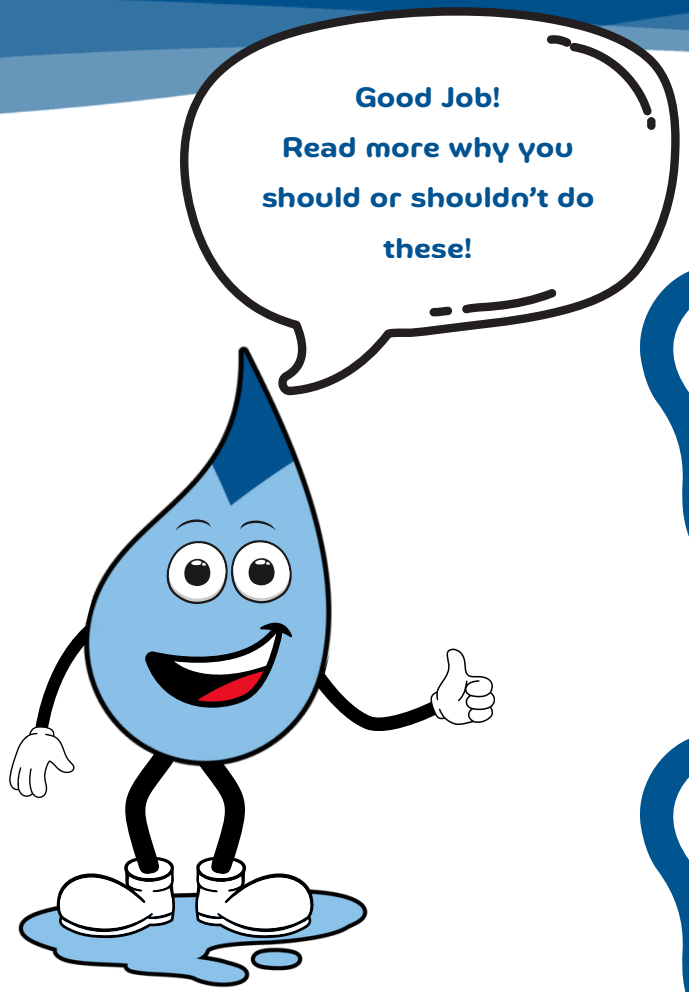
Pick up waste after your pets

Wash a car in your driveway

Properly dispose of chemicals

Add more native plants into your yard

Do & Don't



DO!
Picking up after your pets helps prevent contamination in urban areas

DON'T!
Try washing your car at a car wash and/or over the grass to prevent the chemicals running off into storm drains

DO!
Learning how to properly dispose of chemicals keeps them out of our waters

DO!
By adding more native plants helps water filtration and runoff
