**By signing this form, I understand that:**

- This application is subject to the approval of the Big Sioux River Project (BSRP) Watershed Coordinator and the Minnehaha Conservation District (MCD) based on project priorities. **You must obtain prior approval for any work planned to be eligible for cost-share.**
- Eligible acres will be determined by the Project Coordinator and South Dakota Department of Agriculture and Natural Resources (SD DANR) based on factors including but not limited to: located within the Big Sioux River watershed and proximity to a priority 303(d) impaired water body.
- All invoices and receipts must be submitted to the Big Sioux River Project to be eligible for cost-share reimbursement. If applicable, 75% of actual cost for pipeline, tanks, hydrants, heavy-use protection, and their respective installation will be provided.
